GIFT AID

Almost certainly you know that Gift Aiding your donation adds an extra 25% contribution from Government to your gift, so this is a very easy way of increasing the value at no cost to you.

However, the amount of Gift Aid reclaimed by the Church cannot be more than the tax you have paid in the tax year the donation is made. Gift Aid is on an individual tax payer basis, so whilst we know couples may wish to pledge jointly, we need to know who to reclaim Gift Aid against. This could be 100% from the higher tax payer, or it could be split between you.

Please indicate, if relevant, how you would like your joint gifts to be treated for Gift Aid Purposes.
